RICHARD D. BENNETT

APR 27 2021

UNITED STATES DISTRICT COURT

Edna Booze has been a patient of Dr. Robert Zawodny's for cardiac care for several years. She is currently followed for coronary artery disease- post bypass surgery in 2013, cardiomyopathy, sick sinus syndrome, hypertension, hyperlipidemia, diabetes and peripheral vascular disease. She was recently admitted to the hospital for congestive heart failure. Mrs. Booze is in need of her grandson Patrick Byers to be her full time care giver due to complicated medical issues. She currently is living alone and is in great need of assistance. Mrs. Booze's current financial situation does not enable her to hire private help. We appreciate your attention to Mrs. Booze's need. Mrs. Booze has written a note for your review also.

Sincerely,

Robert Zawodny, MD
